West Virginia was visited the fore part of the week with the most disastrous floods ever known in the history of the country. Small mountain streams became raging torrents. The loss of life was almost as appalling as the Johnstown calamity, though not as great as at first reported. The damage to property foots up into the millions.

This is the best year in the history of the state for those engaged in growing watermelons and cantaloupes. The prices keep up remarkably well, indeed, all records are broken; in consequence of which the faces of our farmers are wreathed with radiant smiles and they step almost as proudly as do our oil kings.

A Good Record. Mr. Davis Moody, who has been for nine years city treasurer for Ocala, leaves the public service with a clean balance sheet. The finance committee carefully examined his papers and certifies to the fact.

LOSING FLESH

In summer can be prevented by taking

Scott's Emulsion

It is beneficial in summer as in winter. It gives you strength and energy. It is the best food for the body. It is the best tonic for the system. It is the best remedy for all ailments. It is the best medicine for all diseases. It is the best cure for all troubles. It is the best way to keep in good health. It is the best way to live long and happy. It is the best way to be successful in all your undertakings. It is the best way to be a man of power and influence. It is the best way to be a man of wealth and honor. It is the best way to be a man of fame and glory. It is the best way to be a man of power and influence. It is the best way to be a man of wealth and honor.
